

Newsletter April 2018

Welcome Back

We hope you all had a restful break over the Easter. There is a busy time ahead with lots going on at Albion.

Year 6 SAT's

Standard Assessment Tests will take place for year 6 children nationally the week beginning 13 May 2019. As usual we will be holding a special SATs Breakfast Club at 8.00am daily and all year 6 children are expected to attend. Breakfast provides a calm and relaxing start to the day, a delicious and nutritious meal and an opportunity for some last minute revision!

China Exchange

The year 5 China Exchange was a great success. Children had the opportunity to see three schools and took part in lots of exciting activities.

Enterprise Fair

We will be holding our very successful Enterprise Fair again this year on 23 May 2019. At the beginning of this half term during a special assembly, each class was given £50.00. They have to generate ideas of things that they can create and sell in order to make a profit. Each class will be able to use all of the **profit** made to buy something that they have all agreed on. There will be special performances from the Steel Pan bands at the fair.

Parent Events

Thank you to all of you who continue to support your child in school by attending workshops and assemblies. A list of school events is detailed on the back of this newsletter.

Friends of Albion

Every parent/carer is a member of Friends of Albion (FOA). FOA will work in partnership with the school to organise events, fundraise and help to ensure our children's time at Albion is fully enriched. Our first meeting is on 3 May 2019 from 9.05am to 10.00am – please come along and share your contribution.

Social Networks/Games

Many children are playing interactive games and using social media sites to communicate with each other. We have found some really helpful information on the NSPCC website, providing parents and carers with a wealth of support, information and advice about keeping children safe on game and social media sites. Enter www.nspcckeepingchildrensafe into your search engine and browse to find out more from the NSPCC and for directions to other useful links.

Reminders

Absence from School

Please remember to complete the yellow absence slip on your child's return to school and hand it to their class teacher.

PE Kits

Children **MUST** bring in their PE kit every Monday and leave it in school for the week and taken home on Friday for a wash.
