Our New School

Work is steaming ahead on the new school, floors are going down and sample classrooms are being assembled to enable the contractors to carry out all of the environmental tests required by building regulations. The external wall on Clack Street is nearing completion and we are considering designs for the outside space on Albion Street.

End of Year Reports

End of year reports will be given out to parents on Monday 10 July 2017. There will be an opportunity to arrange to meet with your child's teacher on 13 July 2017 if you wish to discuss the report.

Canada Water Masterplan

In May 2017 there was an exhibition of the Updated Canada Water Masterplan, around 1500 people attended and commented on the plan. The team at CWM are now holding a feedback session which will take place on Wednesday 5 July 2017 from 7.00pm to 8.30pm at the CWM Hub (opposite Tesco) in Surrey Quays. To reserve a place please contact 0207 729 1705 or email

team@canadawatermasterplan.com for more information. This will be an ideal opportunity to ensure your views are taken in to consideration before the final plan is decided.

Book Amnesty

Over the past years many of our precious and very expensive books have disappeared! Please could you check if you have any books at home belonging to Albion and bring them back to school as soon as possible – no questions asked and thank you!

Social Media

Did you know that children under 16 are prohibited from using Whatsapp and under 13's are excluded from having accounts on Facebook? As more children have access to mobile phones it is vital that you ensure they are using them safely and that they protect themselves. We have had instances where these types of apps have been used by children at Albion to cause hurt or offence to others (cyberbullying). Cyberbullying is a serious crime and will be reported to the police. Barnados provide useful information for parents, visit www.barnados.org.uk and put e-safety into the search bar.

Fun in the Sun

There are a couple of places still available for 'Fun in the Sun' summer club. Fun in the Sun will run for two weeks from 24 July 2017. Please see Suzette

WOW Workshops

We will be running two teacher led workshops on 20 and 21 July 2017. The sessions will cost £20.00 per day and will run from 9.00am to 4.30pm each day. Breakfast will be available on these two days at an additional charge of £3.00 per day per child for non-breakfast club children. Tea will not be provided.

Next Friday, 30 June 2017, we will be wearing 'Green for Grenfell' to help support all of the victims affected by the fire in Grenfell Tower and its consequences.
