

Newsletter April 2018

Welcome Back

We hope you all had a restful break over the Easter. Penny has been in touch to ask that we thank all of the parents for the donations to her retirement present – she was given a £300.00 John Lewis gift voucher and intends to buy something to remind her of all of the families at Albion!

Marisa and Sarah are now co-Headteachers at Albion for this term. Jo Patterson is Assistant Headteacher for the term and Caroline Bannister continues in her role as Deputy Headteacher

Year 6 SAT's

Standard Assessment Tests will take place for year 6 children nationally the week beginning 14 May 2018. As usual we will be holding a special SATs Breakfast Club at 8.00am daily and all year 6 children are expected to attend. Breakfast provides a calm and relaxing start to the day, a delicious and nutritious breakfast and an opportunity for some last minute revision!

Enterprise Fayre

We will be holding our very successful Enterprise Fayre again this year on 24 May 2018. At the beginning of April during a special assembly, each class was given £50.00, they have to generate ideas of things that they can make and sell in order to make a profit. Each class will be able to use all of the **profit** made to buy something that they have all agreed on. There will be special performances from the Steel Pan bands at the fayre.

Our New School Phase 2

Work is continuing on the other side of the purple hoarding and we have been advised that, the work is steaming ahead and we can expect to have our new playground soon! Watch this space!

Social Networks/Games

Many children are playing interactive games and using social media sites to communicate with each other. We have found some really helpful information on the NSPCC website, providing parents and carers with a wealth of support, information and advice about keeping children safe on game and social media sites. Enter www.nspcckeepingchildrensafe into your search engine and browse to find out more from the NSPCC and for directions to other useful links.
