Staff Changes

We are saying goodbye to Jenny, Jo T and Rebecca who are all moving on to pastures new. We wish them all good luck. We have new teachers joining us for September; Luke joins us in Year 5, Abigail in Year 4, Ellie in Year 3, Laura in Year 2 and Heather in Year 1. I am sure that you will give them all a big Albion welcome.

Book Amnesty

Over the past years many of our precious and very expensive books have disappeared! Please could you check over the summer holidays if you have any books at home belonging to Albion and bring them back to school as soon as possible – no questions asked and thank you!

Summer Reading Challenge

Animal Agents - 15 July to 3 September 2017

It's that time of year again when children aged 4 to 11 years are challenged to read any six books during the summer holiday and receive rewards after each book at Canada Water Library. This year there's something peculiar happening at the local library and that's where the Animal Agents come in! It's a detective agency manned by all kinds of clever animals; furry, scaly and slippery – and these guys are out to crack the case with a little help from their friends. From solving the case of the graffiti writing to the strange case of a missing lunch, children will join in the fun with the Animal Agents by reading along. As children read library books on the Summer Reading Challenge, they will receive a host of stickers, some with mysterious smells. By collecting the stickers on their collector folder, young readers will help the Animal Agents find out what's really been going on behind the scenes and who is to blame!

Our New School

The contract is moving along at a very fast pace and works to the pavement outside of the school are underway. We have had lots of visitors to the site all of whom have been hugely impressed with the fantastic design!! We are really looking forward to moving in. We would like to thank all parents, carers and children for observing the new traffic restrictions on Clack Street. Your help has made the street a much safer place for children arriving at and leaving school.

Green for Grenfell

Thank you to everyone who donated money on Green for Grenfell days. We raised over £600.00!!!.

School Uniform

School uniform for the new academic year can be purchased online from www.yourschooluniform.com. Go to school uniform, find Albion and start shopping! Please remember that school shoes should be black and should not have open toes or be difficult for children to take off and put on. PE kit for years 1 – 6 is navy blue t-shirts and shorts, these can also be purchased on line. All children need to have a PE bag which should clearly show their name and should be lightweight as we do not have anywhere to store large or heavy bags/backpacks.

Scooters and Bikes

Lots of children are riding their scooters or bikes to school and parking them in the racks provided. However, we have had some confusion recently with the wrong scooter/bike going home with the wrong child as many children have the same brand. Please could you ensure you 'personalise' your child's scooter or bike over the holiday so that it is clearly identifiable to them when they return to school in September by clearly marking their name on it! . We have indelible pens in school that can be used if you don't have one at home. Please ask at the Admin Office to borrow one.
